Professional Experience

Filipe Lowndes Marques joined the firm in 2001 and he became a Morais Leitão partner in 2007. He coordinates the banking and finance department and is a member of the firm's board of directors.

Vastly experienced in project finance, he has worked in all kinds of projects since 1995, including bridges, highways, power plants, wind and solar farms, football arenas, LNG terminals and natural gas concessions.

His practice is also significant in the area of loan and bond finance and in the field of capital markets, having advised on several securitization transactions (including the first securitization transaction under the new law and the first synthetic securitization), covered bonds issuances and worked on several IPOs of state owned companies.

His investment fund team was considered by Chambers Europe as "Portugal's top practice in investment funds".
